ADMISSION SERVICES

15 Feb 2020

Rise and shout, Amber!

I am very happy to offer you a place in the incoming Summer 2020 class at Brigham Young University.

BYU is thrilled to have you as part of its next generation of students. I hope you are excited to make BYU your home-away-from-home. Our students love learning. They study hard, give great service, and enjoy many varied activities available on and off campus. In your time with us you will have the opportunity to be spiritually strengthened, intellectually enlarged, and build character to prepare for a lifetime of learning and service. You will be inspired by your BYU experience and go on to inspire others.

I look forward to receiving your response. Use the 'accept/decline' button below to send us your decision (due by May 1). For a checklist of things you need to do and consider, including class registration, financial aid, and housing, use the next steps link below.

Welcome to the BYU family! Tell the world your news on social media by using #byubound, and we'll see you on campus soon.

Sincerely,

LoraLee Gardiner

Director of Admissions

THE UNIVERSITY OF

TULSA

Office of the Dean of the Oxley College of Health Sciences

December 19, 2019

Dear Chasity,

Congratulations on your admission to the fall 2020 freshman class of The University of Tulsa. I hope that you are as excited about it as we are. Our faculty look forward to working with you to plan a course of study that will lead to the successful completion of a degree in health sciences and also result in an excellent career or graduate school opportunity for you.

Since you have indicated an interest in a career in health sciences, I would like to note a few opportunities the Oxley College of Health Sciences offers which are not provided by many universities.

Our college is located in downtown Tulsa. The Oxley Health Sciences Facility (OHSF) has 50,000 sq. ft. of space which includes 7 classrooms; lab space for athletic training, exercise and sports science, and nursing; a state of the art Simulation Center; a computer lab; and student lounge.

We offer a shuttle bus that will transport you between the main TU campus and the OHSF. Students participate in clinical simulation scenarios in the Simulation Center. This experience facilitates critical thinking skills that "in the moment" situations provide.

Students in all programs complete required clinical experiences as a part of the degree plan. These experiences provide the student with hands on experience in real world settings.

Undergraduate students in Speech Pathology have opportunities to observe and gain experience in the Speech and Hearing Clinic on campus at the Mary Kay Chapman Center.

Students will be assigned a faculty member as an advisor when they initially enroll at TU. This person will guide the student through their academic career at TU.

Students who plan to attend medical school have opportunities to be mentored by physicians and other faculty who teach in the OU-TU School of Community Medicine. Students can participate in research with faculty through the TURC program. First time pass rates on national certification / licensure exams are well above the national average for each profession.

If you have not already done so, I would like to encourage you to visit the TU campus and the Oxley College of Health Sciences, and see for yourself the competitive edge a TU education gives health sciences graduates.

Best regards,

Robin Ploeger, EdD

Dear Kaylee,

Welcome to the Mean Green!

On behalf of the Office of Admissions, I am excited to let you know that you have been accepted to the University of North Texas for the 2020 Fall semester. Enclosed is a checklist of important things for you to do before you enroll at UNT. If you have questions about any of them, our Admissions Team would love to help you.

Before you can register for your courses, you must meet the requirements of the Texas Success Initiative (TSI). For more information regarding TSI, visit the Learning Center website at learningcenter.unt.edu/tsi. This initiative is a state legislated program designed to ensure that students enrolled in public colleges and universities possess the academic skills needed to perform effectively in college-level course work. You can check your TSI status by logging into the MyUNT system (my.unt.edu) and going to your Student Center page. While there, view your "To-Do" list to see any final documents needed for your admissions or financial aid file.

Be sure to check off your other admitted student tasks as you complete them on the enclosed checklist. We look forward to seeing you at UNT.

Congratulations, Kaylee! You're in!
