Check 2417 dated 8/13/2019 for \$9,576.00 to The Dictionary Project cleared bank on 5/19/2019. DSteele My treasurer said the vendor (The Dictionary Project) deposited the check via photo so our bank doesn't have a cancelled check. On the phone they told him an image wasn't available.

I was hoping that since the bank statement specifically showed the details of who the check was paid to and that it matched the invoice that was marked with the check number that it would suffice. But if the check is required then I can ask our treasurer to make an appointment with the bank and meet with them in person.

Brian,

Every thing looks good except that I need you to upload a copy of the actual check including the endorsement on the back. With that we will be able to close your grant.

Thanks,

Thanks, Dan, for all your help through the process this year.

I've been down the checklist several times and I think I should have everything complete and uploaded now.

Let me know if you need anything else.
