1. Is this a scholarship governor's grant report? Yes No (If yes, go directly to line 16)
2. Briefly describe the project. What was done and where did the project activities take place? Explain how the beneficiaries and other community members were involved?
The Club purchased a used trailer and had it wrapped with the Rotary logo and colorful sketches. The trailer was then stocked with items that can be used at a block party. It was advertised on the Club's Facebook page and club members took the trailer to the Fire District's Open House to create awareness. The Chamber of Commerce held a ribbon cutting for the Club which was advertised through the Chamber channels. All activities to date have taken place in Windsor, CO.
3. How many Rotarians participated in this project? 6
4. What did they do? Please give at least two examples.
Purchased a trailer, outfitted it with supplies for neighborhood block parties, advertised it on the club's website and Facebook and delivered it to people's neighborhoods for their parties.

5. How many non-Rotarians benefited from this project? ___2 families to date. ___

6. Who are the beneficiaries and what is the expected long-term community impact of this project?

Families and their neighborhoods have and will benefit from using the trailer and the contents to enhance their block parties. Block parties bring people out of their homes and gathering together which creates a connectedness among people and breaks some of the isolation endemic in modern society.
