Thank you for ordering from Russell Hampton Company. After your order is processed, in-stock items are shipped as soon as possible with special attention paid to your "need by" date if you indicated one. If there are backordered items on your order you should receive an email summary of your order showing which items are in stock and which are backordered. Custom items may take several weeks. If you have any questions about shipment, please email [orders@ruh.com](mailto:orders@ruh.com).

This is an acknowledgement, not an invoice. Please do not pay from this acknowledgement. You will receive your invoice after your order ships. If you paid by credit card, your card will not be charged until your order ships, except that custom and drop ship items will be charged immediately so that we may place the orders with our vendors.
