

Dear Friends, Business Associates and Community,

WE need your HELP!!!!

Several Denton area Rotary clubs have gotten together to raise funds for folks who have lost income from the Covid-19 Stay-At-Home Order. We need to respond quickly because there are a lot of hard-working folks here in Denton who are suddenly without a paycheck through no fault of their own.

We have built a program to give grants of \$1,000 or less to Denton residents who have had a catastrophic loss of income due to the Stay at Home Order. The Flower Mound Rotary provided \$5,000 in seed money for the program and we hope to raise between \$30,000-100,000 from the public.

We will, when possible, draft checks directly to landlords or utilities so we know the bills are paid as quickly as possible. The application asks for very detailed financial information so we can make smart decisions about the need.

The most important thing at this time is for this information to go

VIRAL. That's where we

need your immediate help!
