To Whom it May Concern:

The Burleson Area Midday Rotary Club provided our organization with a donation of \$2400.00 to purchase goods for our school children's Snack-Sack Program.

The funds were used on two purchases from Sam's Club. The first was on 9/27/13, for \$2080.30, and the remainder \$319.70 was applied to a purchase on 3/17/14. Rotary Club members generously donated their time to repackage the items for distribution to the various schools covered by our program.

We appreciate the support of the members of Burleson Area Midday Rotary and Rotary District 5790.

Sincerely,

Billy Hutchings
