Dear Ms. Miron,

On behalf of the Greater Chicago Food Depository, thank you for Rotary Club of Oak Lawn Healthcare's generous gift of \$500.00 in support of the organization's hunger relief initiatives throughout Cook County in Fiscal Year 2020. Your investment will fuel our efforts to provide healthy food today while working to eliminate the root causes of hunger for a stronger, shared future.

On any given day, one in eight people in Cook County faces hunger— hundreds of thousands of people do over the course of a year. But even one is too many. With your support, the Food Depository is taking food insecurity off the table, bringing together more than 700 partners to provide access to nutritious food and resources that help people grow and thrive.

We are sincerely grateful for Rotary Club of Oak Lawn Healthcare's partnership. Your support is more critical today than ever as we respond to emergency needs resulting from the COVID-19 outbreak. Should you have any questions, please contact me or Joshua Sovell, Corporate Relationship Manager, at (773) 843-7294 or jsovell@gcfd.org. Thank you again for supporting the organization's mission. By working together to help those most in need go from hungry to hopeful, we truly become a Greater Chicago.

Sincerely,

Kate R. Maehr
