Dear Joe,

Thank you for being a great neighbor!

We can't begin to thank you enough for your gift of \$5,000.00 that was processed on 4/22/2020. We are in truly novel times with the COVID-19 virus wreaking havoc on so many parts of our lives and the uncertainty we're facing is daunting. But because of you, a local family will at least have a place to call home. ***Because of you, we can prevent homelessness those facing crisis.***

Throughout the past 50 years, Neighbor to Neighbor has been part of the community, providing stability to those who need it most. We've seen so many changes over 50 years, but the thing that hasn't changed: our community has always risen to face every challenge together.

Thank you for being part of that rising tide and facing the unprecedented challenge before us. I believe that we will get through this, like we always have: with neighbors helping neighbors. Neighbors like you!

Through your donation, you are able to directly help local families like Angela and Jackie:

*"Thank you so very much for granting us rental assistance to pay our April rent. You have relieved a ton of bricks off our shoulders. You have been a blessing to us & we will never forget how concerned & caring you have been at the scariest time in our lives. God bless & Be well!" - Angela & Jackie*

With gratitude,
