4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: **Book selections were delegated to the teaching staff, which required encouragement of them to be pro-active. The bookstore located in Kolkata is 1.5 hours away by car, which required transportation scheduling both for shopping and delivery. The girls served by the school are from a poor village. They generally do not have electricity at home for reading light, and some parents may sell the books if brought home. For this reason the books are kept at the school and eventually donated by the recipients.**
