To the members of Rotary Club of Hinsdale,  
On behalf of our employees, and indeed everyone at  
Plymouth Place, may I express our deepest gratitude  
for your most generous support of our employee  
food pantry. In these unprecedented times, it is  
gratifying to know that communities and mission driven  
organizations like ROTARY have come together to support  
one another in serving the greater good.

Sincerely,  
Patsy Horan
