Orland Park Rotary Club,

I would like to start by thanking you for your continued support of Camp Quality Illinois. It has been an interesting year for us all and we appreciate so much that you were willing to support us in our efforts to provide virtual summer camp to children affected by cancer.

As you know, in April, we canceled all in person events through the end of summer due to COVID. As an organization, we decided to transition our summer camps to a week of CAMP IN, bringing camp to our camper's homes. Each child received a backpack with grade based activity cards and all the supplies to complete those activities, a t-shirt, some toys, extra crafts, and other local touches specific to Camp Quality Illinois. These items were supplemented with zoom sessions for campers, their siblings, and evening sessions for the whole family. Kids got to hang out with others their own age. Families played Bingo, Family Feud, listened to music and so much more! We were able to bring this experience to 76 families, with a total of 142 kids! The week was an unbelievable success and would not have been without the generosity of people like you!

This letter is acknowledgement of the receipt of your \$800 donation to Camp Quality Illinois. Our Tax ID is 38-2208796. No goods or services were exchanged for this donation.

We have canceled all in person fall family events and are in the process of turning them into virtual events. We are also transitioning our fundraising efforts to the virtual environment. We look forward to this opportunity to "think outside the box" and develop these at home activities. Even more so, we look forward to the day we can gather together in person again.

We hope you enjoy the attached photos from our week of CAMP IN!

Sincerely,

Mary Lockton, Executive Director
