1906 West Fremont St.  
Chicago, Illinois 60614

Dear Rotary Club of Chicago Near South,

We would like to say thank you for your grant to us in the amount of \$662.00 and for partnering with us in our vision and purpose for Matthew House.

It is the kindness of you and others that help us fulfill our mission which is the rebuilding and strengthening of people in our community and those who are homeless and or at risk of becoming homeless.

The Matthew House organization provides emergency and supportive services to homeless as well as daytime supportive services; we also serve as a warming and cooling center opening over three hundred days a year.

On behalf of our Board of Directors, staff, volunteers and guest clients, we extend to you our sincere thanks. Your generosity and thoughtfulness help us make the needed difference and it is because of you that Matthew House can continue to be a present support for those persons who are experiencing difficulty in challenging times.

Please allow this letter to be the official receipt for your donation and once again we say thank you. If you have any questions please contact Sandra Rickette our contribution coordinator at 773-536-6628.

Sincerely,

Dr. Sanja Rickette Stinson  
CEO/Executive Director
