1. District Grant # (check website for #) P-34
2. Name of District Grant Zambia Microcredit Support
3. Briefly describe the grant and list any changes that might have occurred (100 words or less. \$100 loans were made to 40 women to conduct businesses such as raising chickens selling second hand clothes charcoal and tailoring. As of April 2012 32 of the loans had been repaid and the second round of loans were being made. Efforts continue to collect the loans from the remaining 8. In addition to the loans the women received business training.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: The problems occurred when the original NGO dropped out. This caused a long delay in the process and may relate to the delinquent loans. I don't think this could have been foreseen. Although the project was not completed on time, if we impacted half the women, 20, and their families I would call it a success in the long run.
