Project Title: Hornaday Park Fire Circle

Progress report Final report

Project Description

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

A beautiful fire ring and two benches have been completed at the new picnic pavilion area. Our club still needs to provide the hands-on labor to do the groundwork around the bench area and the perimeter of the pavilion area to make it user friendly. We are awaiting a directive for our work day.

2. How many people benefited from this project? Homer community

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

This is an addition to a well-used community park. The park is owned by the city, but many of the improvements have been done by the volunteers.

4. How many Rotarians participated in the project? 12 to date

5. What did they do? Please give at least two examples, not including financial support provided to the project.

Helped with the design and oversight. We are awaiting our hands-on workday and hope to include more members at that time.

6. If a cooperating organization was involved, what was its role?

We have worked with HoPP, Homer Playground Project. They, along with the city, have done a park master plan. Our contribution was part of phase 2.
