Dear Jean & Ken,

Thank you for your support of the San Diego Police Foundation and the *Safety For All* Series! Your generous contribution helps the Police Foundation create a safer San Diego by funding equipment, training, and outreach programs to enhance public safety.

Because of donors like you, the San Diego Police Foundation is able to:

- Support the men and women who protect and serve San Diego.
- Purchase safety equipment that will be used to keep our officers safe as they run towards danger, such as rifle-proof vests, ballistic shields, and other important tools.
- Fund software and technology that helps officers solve crimes, such as ruggedized laptops, portable tablets, and specialized software that are used to help SDPD solve cases.
- Support effective programs that fight domestic violence, enhance diversity, honor volunteers, and more.
- Provide SafetyNet: SmartCyberChoices®, our award-winning regional public education program in partnership with the San Diego Internet Crimes Against Children Task Force. Since 2008, SafetyNet®, has provided internet safety instruction to over 270,000 students, parents, and educators so they can stay safe in cyber space.

Your gift truly makes a difference by bridging the barriers of economic challenge with tangible, cost-effective, local solutions, resulting in a safer community.

Thank you for your contribution. With your help, we're making San Diego safer.

Sincerely,

Nickie Behdin
