

Hi Susan,

So glad your group had a positive visit. La Costa is a fabulous community – both from the programs standpoint but also due to our amazing staff and volunteers there. Hopefully you had the opportunity to meet “Miss Peggy” whom the kids adore. As far as a receipt, that would be difficult because the supplies come from a variety of sources and we buy in bulk as much as possible. I’m attaching the original breakdown in the hopes that it will suffice. If not, please let me know and we’ll brainstorm other options. I’m copying Heather Laird, director of learning programs, who oversees Running Readers so she’s aware of your request.

Thanks again for the Rotary Club’s generous support of this important work. We have a fun event coming up next month that members might like to attend where the kids will be acting out stories they read. It’s called Readers Theater and Rachel Cherny, the volunteer coordinator who you met at La Costa is heading it up. There is a need for volunteers as well and we’d welcome any Rotary members who’d like to help out.

Warmly,
Donna

Donna Pippins

Director of Donor Development
