 Project Title: NCA Calculators

## Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? *Nazarene Christian Academy needed TI graphing calculators for the Math and Science program. The club provided funding, the school ordered and paid for the calculators. Due to covid rules the club members could not attend the presentation of calculators but photos were provided.*
2. How many Rotarians participated in the project? 3
3. What did they do? Please give at least two examples. *Consulted with Principal Angie Adams, discussed needs, raised and allocated matching funds.*
4. How many Non-Rotarians participated in the project? 1
5. What are the expected long-term community impacts of the project?  
*The calculators ~~shoud~~ will allow students and teachers access to an additional tool to help students prepare for college and job skills.*
6. If a cooperating organization was involved, what was its role?  
*Nazarene Christian Academy identified the need, negotiated for school pricing on the calculators and placed the orders.*
