Rotary Club Kankakee **District Grant #** P-3796

Project Title Dictionaries for 3rd Graders

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.

Our club purchases enough dictionaries each year to give to all the 3rd graders in Kankakee School District 111. Last year we were not able to complete that task so we have included the 4th graders this year so those children do not miss out. Each dictionary is labeled with the object of Rotary and a place for the children to write their name. Then the appropriate number of dictionaries is delivered to the classrooms, English and Spanish versions when needed. The last of the dictionaries were delivered May 25th, 2022.

2. How many Rotarians participated in the project?

8

3. What did they do? Please give at least 2 examples.

Members put the labels in the books. Members also delivered the boxes of books to the schools.

4. How many non-Rotarians benefitted from this project?

624 children received dictionaries

5. What are the expected long-term community impacts of the project?

The children have been supplied with a non-electronic educational tool that they can keep as they grow up.

6. If a cooperating organization was involved, what was its role?

The school district helps us with the number of students and how many need Spanish/English versions.

7. How did you share the news of your project?

8. Facebook
