Principals/Teachers

We appreciate your help in providing a Webster's Dictionary to each of your 3rd and 4th grade students throughout Kankakee School District 111. Please provide them this valuable tool with some instructions on its use. We would encourage students to put their name in the front inside cover where we also have our Rotary Four-Way Test that is an ethical guide for Rotarian's to use for their personal and professional relationships.

Kankakee Rotary Provides Dictionaries to Students

The Kankakee Rotary Club continues its mission to promote positive lasting change in the community. On Tuesday, May 24th members of the Club will begin their annual Dictionary Project. This annual project, now in its sixteenth year, places a dictionary in the hands of every 3rd grade student in Kankakee School District 111. Due to the deliveries being postponed in the 2020-2021 school year due to the COVID pandemic, we will also be giving dictionaries to the 4th grade students who missed out last year. The Rotary Club of Kankakee believes that even in this day in age when online dictionaries and spell check are prevalent, an actual dictionary can provide many benefits in the early stages of learning. A dictionary can provide important support and be a quick reference book that the students can put their name in and carry with them to use while reading, working on papers, and completing homework. Hopefully, the students will keep and use the books all the way into high school and college.

Since 2016 the School District began requesting that some of the dictionaries be the Webster's Spanish- English version to assist some of the students from the Hispanic community and we were happy add these to our offerings.

While delivering the books, the Rotarians enjoy providing a little bit of the history and purpose of this long-standing club that celebrated its 100-Year anniversary in 2015. We also enjoy telling the story of how Rotary International has almost completely eliminated Polio around the world since its first project to vaccinate children in the Philippines in 1979. Many of the Rotarians spend a little time showing the children how to use their new dictionaries.

This year members of the Club will deliver 624 books to students in seven schools during the last week of school and just in time for the summer break.

Good Morning. Below is the breakdown by building. Please let me know if you need anything else.

Do you have any availability to maybe deliver some of the boxes of Dictionaries to a school or two this afternoon or tomorrow morning? Amanda Martinez in my office and I will be able to deliver some of the books as well. There are 6 schools to deliver to today or tomorrow. With so many books this year, it was really difficult to think about moving them around a lot even to get help with the stickers. 624 books means 26 total boxes. Some of the schools really don't even have very many to deliver. Let me know if you can help.

1. Taft			28	Spanish	1 box + 4
2. Mark Twain			19	Spanish	19 (5 less than a full box)
3. Kennedy	138	English	23	Spanish	5 Boxes + 6 less of another box – English; 1 full box Spanish
4. Steuben	22	English	23	Spanish	1 Box English less 2; 1 Box Spanish less 1 (Or just 1 box of each)
5. Edison	96	English	6	Spanish	4 Boxes English and 6 Spanish
6. St. John Paul II					
a. King	129	English	24	Spanish	5 Boxes plus 9 English; 1 Box Spanish
b. LLC	98	English	18	Spanish	4 Boxes plus 2 English; 1 Box less 6 Spanish
	227		42		269 Total books for St John Paul II School

Books are currently at my house in Bradley, but I can bring some to the office after lunch.

Good news, I have the books all labeled with the Rotary Four-Way stickers and have contacted Rachel about the deliveries. She suggested early next week, so I am going to get them organized by appropriate number for each school, Spanish and English books, 3rd and 4th grades and then we can decide who will be able to run them to the schools on Monday or Tuesday. We may even be able to do a few deliveries on Friday of this week.

I will also try to put together the letter to deliver with each donation to each school explaining the purpose of the donation.

Yes! The last day of school for our students is May 27th, but I would drop them off earlier in the week because we may not have many students on the last day of school. We do have 2 schools that are currently at other locations, King and LCC. I will ask the principals where they would like the books delivered to and get back to you.
