Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Purchased 30 bikes to match the specific child's name, age and special size bike requested. Also got over 30 helmets for the children to make sure all children sizes were accommodated.

When (dates) and where (city, state and country) did project activities take place?

Bikes were purchased on 11/30/21 and delivered to Vista Del Camino that day. Bikes were purchased in Scottsdale, Arizona and delivered to Scottsdale, Arizona.

Who were the beneficiaries? Underserved children of families that are served by Vista Del Camino Community Center.

2. How many Rotarians participated in the project? 12
3. What did they do? Please give at least two examples. Helped with the purchase of the bikes and loaded and transported the bikes to Vista Del Camino Community Center.
4. How many non-Rotarians benefited from this project? 30 plus an untold number of siblings and family members.
5. What are the expected long-term community impacts of the project?
With the pandemic affecting the community the children will be able to enjoy recreation and be able to travel to school safely. This project has been an ongoing project for a number of years and it is important to maintain our consistent support.
