March 28, 2014

Dear Rotary Club Members,

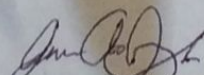

Team Pharaohs thanks each one of you for all the help, advice and especially for your generous contribution of \$2,500 to our robotics team. With this money, we were able to buy some needed tools and materials to build our robot. Your donation also allowed us to participate at the San Diego Regional First Robotics Competition where we had the opportunity to challenge ourselves and win the prestigious Judges Award. We thank you again, and we hope to have your sponsorship next year.

Sincerely,

  
Bernardo Escobedo  
Robotics Mentor

  
Montserrat Castell
