Rotary Club: Fullerton

Project Title: HUB of Hope

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Pathways of Hope is a well-recognized non-profit serving the local homeless and food insecure communities in Fullerton and surrounding communities. The HUB of Hope project recognized exceptional need arising from the pandemic, with many marginal families facing food insecurity, well beyond their agencies typical volume. The District 5320 grant enabled them to provide an additional 800 meals, focusing on families hardest hit by the pandemic. 6 families comprising 30 individuals were the main recipients from this funding source.

2. How many Rotarians participated in the project? 6

3. What did they do? Please give at least two examples.

Help coordinate pick up of prepared meals; conducting small food drives to add stock to supplement packages; assist on a selected distribution day.

4. How many non-Rotarians benefited from this project? 30+

5. What are the expected long-term community impacts of the project?

Recognition that Rotary cares about the local community, especially among populations that focus most on resources within their neighborhood and may see Rotary as a strictly "international" organization.

6. If a cooperating organization was involved, what was its role? Meals on Wheels, provided many of the meals at their production cost.
