Rotary Club of Roatan

Scholarship Report

On behalf of the Rotary Club of Roatan I would like to thank the Rotary Club of Del Mar for awarding our Club with \$3,600.00 in support for 2 of our local students.

As per your request I am sending a preliminary report on the selection of the 2 students. The funds will go towards payment of: Registration, monthly fees, books, and transportation.

The students selected are:

1. Darina Nareyni Guity Ocampo, 12th grade-Adventist Bilingual School
2. Lena Isabella Bongiorno, 12th grade-Methodist Bilingual School

Both students are top of their class and have scored above the 90% throughout their schooling (see attached). They are graduating this year and are planning to attend the National University of Honduras next year. Darina plans to study Medicine and Lena Business Administration. They are active in their communities and have demonstrated excellent behavior.

Students are on vacation until February 3. We will have the scholarship award ceremony at our January 30 meeting. Shortly after I will send photographs of the event. We will also send their report cards over the course of the 2014 -15 school year.
