

District Grant # P-396 for \$3600 Scholarships for Roatan

Using a part of the District Grant Funds, and responding to the need for scholarships for underprivileged children in Roatan, Honduras, the Del Mar Rotary Club has funded two scholarships totaling \$3600 with matching monies of \$1800 coming from District 5340.

Working with Dr. Charles Parchment, a former Del Mar resident, now residing in Roatan and a member of the Rotary Club of Roatan, two students were selected for these scholarships which were awarded at the Roatan February 2014 Rotary award ceremony. The awardees were chosen after careful examination of their scholastic capabilities. Dr. Parchment paid the scholarships in increments for registration and books, thus assuring good stewardship of the money. Pictures of the awardees at the award ceremony and of receipts for each of the checks written are being uploaded to the photo page. I believe this completes the work for this District Grant for which we, and the Rotary Club of Roatan thank you.

5. Our Club recognizes the value of scholarships not only for local students but also for underprivileged students abroad.

6. Improvement in filling out this form so it can be done online and not via a copy ... Also improvement in uploading pictures and documents from someone else's email.

5. Financial Summary:

Amount of District Grant funds received: \$1800

Amount of Club funds used in grant: \$1800

Amount of other funds used in grant: 0

Total \$3600
