3. Briefly describe the grant and list any changes that might have occurred (100 words or less. No changes. The grant funded scholarships of \$1800 each for the tuition and books for continuing education for two underprivileged children, Lena and Darina, in Roatan, Honduras.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: Learned that having had good communication with our correspondent Rotarian assured us that good stewardship would be employed in their choice of recipients for this grant.
5. How has your Club or community been impacted by this grant?

(Check all that apply)

- Involvement of Rotarians in our Club in humanitarian grants has increased.
- Our Club's international Rotary networks have been strengthened.

6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them.

I feel that a report telling about the implementation and fundamentals of the project would be (more) helpful, especially for others to read and be inspired by, than the reporting form provided. Also, some provision needs to be made and clearly presented prior to starting a grant that allows for a Club's doing a direct bank transfer of funds into the foreign account as there is to "typical" copy of a check nor receipt when done this way. A more "typical" online form, i.e. one in which there is shaded area provided for answers, would have avoided my time-wasted mistake of not recognizing that this form could be filled online. And I have no idea of how to send this to President Pat to sign.
