Product Description

This Stainless Front Gas Grill Is a Backyard Culinary Beauty

With 788 square inches of cooking space, 67,000 BTUs of grilling power and a built-in smoker, the **Kenmore 6 Burner Stainless Front Gas Grill** does just about everything but cook the steaks for you - but, then, you wouldn't want to miss out on all the fun. This beauty is just a blast, with its multiple grilling zones and a side burner that lets you keep side dishes on track. A folding side shelf gives you extra room to work, too. You can grill and smoke at the same time, so let your imagination run wild when it comes to menu combinations.

This **Stainless Front Gas Grill** is as great for convenience and clean-up as it is for showing off your culinary skills. Bottom cabinets and a built-in drawer provide room to store your grilling necessities, while built-in hooks offer a handy place to stash your tools. The enameled grids provide easy-to-clean durability, while a pull-out grease tray and cup offer quick access for clean-up.

- The **Kenmore 6 Burner Stainless Front Gas Grill** is a serious piece of equipment for chefs who are serious about their food. With 788 square inches of cooking space, a total of 67,000 BTUs of power, a smoker and a side burner, the grill has the room and capability to cook just about anything you want
- With a powder-coated finish, which resists rust and wear, on the body and control panel, plus durable porcelain enameled cooking grids and lid, this grill is built to last
- With three cabinets, a drawer and hooks inside, this grill has plentiful storage room
- Electronic ignition for trouble-free lighting
- 4 swivel caster for easy mobility
- Some assembly is required. Assembly is only available on online orders for home delivery and comes with an additional fee
- 1-year limited warranty; 10-year burner warrant
