

District Grant Report

Rotary Club: Monarch Beach Sunrise Rotary

Project Title: Computer Education & Literacy

☐ Progress Report ☒ Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? The purpose of this project is to purchase nine new computers & monitors for the Boys & Girls Club computer lab. The Club is located in Aliso Viejo, CA. The Club's computers were outdated and not working properly. The members rely on these computers to focus on education, complete homework assignments, research, web designs, computer art, how to be safe on internet, science projects and to become computer literate with the assistance of Boys & Girls Clubs professionals, mentors and Rotarians. The majority of the kids and families that we deal with do not have access to a computer at home so they depend on the Boys & Girls Club to provide this unique opportunity to help them navigate their education through computer technology.

Nine computers were purchased on 10/8/13 by Past Club Rotarian President of Monarch Beach Sunrise Rotary (MBSR) James Littlejohn who is also the Executive Director of the Boys & Girls Clubs of Capistrano Valley Aliso Viejo Branch where computers were donated. The computers were up and running by Dec. 1, 2013

- How many Rotarians participated in the project? Six

- What did they do? Please give at least two examples. The MBSR members was involved in purchasing the computers, involved in presenting the "most accomplish computer student" of the month award on a continued basis, Rotarians will also make the presentation of the computers to the Aliso Viejo Boys & Girls Club.

- How many non-Rotarians benefited from this project? 317 Boys & Girls Club kids 6 – 18 years of age

- What are the expected long-term community impacts of the project? Low income kids who are most at risk for dropping out of school now have access to computers to help them focus on their education. They will be able to complete their homework assignments and develop skills in research, web design, computer art and become computer literate which will then make their community a lot stronger and educated.

- If a cooperating organization was involved, what was its role? The cooperating organization was the Boys & Girls Clubs of Capistrano Valley (BGCCV). It helped identify the problem of outdated computers and made a presentation to MBSR for their support. BGCCV also paid the balance for computers

Financial Report – Be sure that Income equals Expenditures!

7. Income

Amount

1. District Grant funds approved by the District	\$1600.00
2. Club contribution	\$1600.00
3. Other funding (specify) BGCCV	\$2,310.88
Total Project Income	\$5,510.88

8. Expenditures - please be specific and add lines as needed - receipts must be attached

1. 9 computers	\$5,510.88
2.	
3.	
4.	
5.	
6.	

Total Project Expenditures

\$5,510.88

9. By signing this report, I confirm that to the best of my knowledge these District Grant funds were spent only for eligible items in accordance with Trustee-approved guidelines, and that all of the information contained herein is true and accurate. Receipts for all grant-funded expenditures have been provided to the district. I also understand that all photographs submitted in connection with this report will become the property of RI and will not be returned. I warrant that I own all rights in the photographs, including copyright, and hereby grant RI and TRF a royalty free irrevocable license to use the photographs now or at any time in the future, throughout the world in any manner it so chooses and in any medium now known or later developed. This includes the right to modify the photograph(s) as necessary in RI's sole discretion. This also includes, without limitation, use on or in the web sites, magazines, brochures, pamphlets, exhibitions and any other promotional materials of RI and TRF.

Subject: FW: Dell Order Has Been Confirmed for Dell Purchase ID: 2004375574076

Nicole,

Please see the attached order I placed below for the 9 computers for Aliso. The total including shipping and tax is \$5510.88

This is actually even a better deal then the MicroCenter one since the specs of the machines are MUCH better! I charged this to James club Visa.

Please let me know if you have any questions.

Thanks,
Chris
