

The Rotary Foundation – Rotary District 5610

5610 / CAP Grant Application *(check one)*

Maximum CAP Grant Amount: \$1000

1. Basic Information (Should match information in matchinggrants.org).

Grant # Click here to enter text. *(Assigned by www.matchinggrants.org)*

Lead Rotary Club: Mapleton

Participating Rotary Clubs: none

Project Title: New Diving Board

Project Summary

We would like to purchase a new diving board for the Mapleton City swimming pool.

Amount Requested: \$ 2,019.00

Minimum Acceptable[†]: \$ 1,500.00

[†] Please enter the smallest award that you could accept while keeping the project viable. Entering a smaller number here does not necessarily mean that you will not receive your full request, but it will be helpful in determining how to allocate funds should the total requests in a given year exceed the amount available.

What Area(s) of Focus Will This Project fulfill? (Optional for CAP Grant.) *Check all that apply.*

This should match the information entered into matchinggrants.org.

2. Project Description

the project, its location, and its objectives. Describe how the project will benefit the community and/or improve the lives of the less fortunate. Also include sustainability elements.

This may be the same as in matchinggrants.org but in many cases may have additional information. Information may be included in this request that is not appropriate to publicly display as when this report is uploaded to the website, access can be restricted to only those people associated with this project.

We would like to purchase a new diving board for the Mapleton swimming pool. The community has been having fundraisers to help renovate to swimming pool. The Mapleton Rotary feels this would be a good project to collaborate with the community. The City swimming pool is a very important element of the community for children and adults in town and the surrounding communities. Having a renovated swimming pool brings families to town to help the economy of our town. It also provides a safe environment for our local children to have a place to go in the summer.

ESTIMATED START DATE OF PROJECT: September 20,2021

ESTIMATED COMPLETION DATE: November 30,2021

3. Describe non-financial participation by Rotarians in the project (i.e., Rotarian activities).

Some of the Rotarians will be available to help install the diving board.

4. How will the general public know this is a Rotary-sponsored project? Please provide details, such as media publicity, report for the District news, or display of the Rotary logo.
