

District Grant Report

Rotary Club: Orange Sunrise Rotary Club

Project Title: Mentor Meals Plus

Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Mentor Meals Plus Project partnered Orange Sunrise Rotary with the Collaborative Technology Program (CTP) at El Modena High School (Orange, CA) to assist them in meeting their grant requirements of connecting students with business/community mentors. The principle focus of the project was to move four weekly Rotary meetings (from October, 2013 through April, 2014) to the high school where Rotarians dined with, interacted with, and mentored a group of at-risk high school juniors (26). Each evening had a focus topic (career decisions, service to others, overcoming obstacles, and ethical decision-making) and included a brief guest speaker presentation. Table assignments matched one Rotarian mentor, one El Modena alumni mentor, and six CTP students. Table discussions were encouraged through ice-breakers and talking points. Additionally, Orange Sunrise Rotarians served as judges for senior (25) end-of-year presentations.

2. How many Rotarians participated in the project?
Our entire Rotary Club participated (13 members - 100% participation)

3. What did they do? Please give at least two examples.
- a. Eight OS Rotarians participated as mentors for the students by sharing their personal career paths and discussing the evenings' focused topics
 - b. Three OS Rotarians participated on the support team by working with the student leadership team on the meeting logistics and meal coordination.
 - c. Nine OS Rotarians judged senior CTP exit projects

4. How many non-Rotarians benefited from this project?

- Junior Mentees (students) (26)
- Senior Students (25)
- CTP Teachers (3)
- El Modena Alumni Mentors (6)
- Hispanic Chamber of Commerce Members (2)

5. What are the expected long-term community impacts of the project?

Over 50 at risk high school students have interacted with OS Rotarians. Evaluations show that the students valued the experience. A scholarship will be awarded to a student who is committed to further his/her education.

6. If a cooperating organization was involved, what was its role?

Hispanic Chamber of Commerce

- Recruited the alumni mentors
- Scheduled guest speakers
- Provided funding for the Hispanic Chamber Exploring Club
- Offered a \$500.00 scholarship
