

# The Rotary Foundation – Rotary District 5610

☒ 5610/☐ CAP Grant Application *(check one)*

Maximum CAP Grant Amount: \$1000

## 1. Basic Information (Should match information in matchinggrants.org).

**Grant #** Click here to enter text. (Assigned by www.matchinggrants.org)

**Lead Rotary Club:** Mapleton

**Participating Rotary Clubs:** none

**Project Title:** Sliding Unit for Fire Department

### Project Summary

We would like to purchase a new sliding unit for the new fire department's grass rig.

**Amount Requested:** \$ 3,904.00

**Minimum Acceptable<sup>†</sup>:** \$ 3,904.00

<sup>†</sup> Please enter the smallest award that you could accept while keeping the project viable. Entering a smaller number here does not necessarily mean that you will not receive your full request, but it will be helpful in determining how to allocate funds should the total requests in a given year exceed the amount available.

**What Area(s) of Focus Will This Project fulfill? (Optional for CAP Grant.)** Check all that apply.

*This should match the information entered into matchinggrants.org.*

☐ Peace & Conflict Resolution/Prevention

☐ Disease Prevention & Treatment

☐ Water & Sanitation

☐ Supporting the Environment

☐ Basic Education & Literacy

☒ Economic & Community Development

☐ Maternal & Child Health

## 2. Project Description

*Describe the project, its location, and its objectives. Describe how the project will benefit the community and/or improve the lives of the less fortunate. Also include sustainability elements.*

*This may be the same as in matchinggrants.org but in many cases may have additional information. Information may be included in this request that is not appropriate to publicly display as when this report is uploaded to the website, access can be restricted to only those people associated with this project.*

We would like to purchase a sliding unit for the fire department's new grass rig. The City of Mapleton and the Mapleton fire department will collaborate to purchase the sliding unit. A sliding unit is important for the community to be used in field and grass fire. It is also used for vehicle and house fires if needed.

**ESTIMATED START DATE OF PROJECT:** January 2022

**ESTIMATED COMPLETION DATE:** March 2022

## 3. Describe non-financial participation by Rotarians in the project (i.e., Rotarian activities).

The Rotary will present the unit to the fire department.

## 4. How will the general public know this is a Rotary-sponsored project? Please provide details, such as media publicity, report for the District news, or display of the Rotary logo.

There will be a newspaper article of the Rotary participation in the project. There will be a plaque on the unit with the Rotary emblem.

**Rotary Year  
2021-22**

**5. Project Contacts: Two Rotarians must be listed who will provide oversight and management of the project funds. One of these two individuals should enter project into [www.matchinggrants.org/district](http://www.matchinggrants.org/district) and both should be given Administrative Access for the project there.**
