Dear Lillian,

Thank you very much for your support of our L.E.A.D. program and the generous Rotary donation of \$1,000. We will be directing this to the training of officers in Texas and the Fort Worth area so they can deliver an evidence-based drug, violence, and bullying prevention curriculum to children, K-12.

L.E.A.D. is classified as a 501 (c) (3), EIN # 47-247-1572, by the standards of the Internal Revenue Service (IRS). Therefore your donation maybe deductible to the extent allowed by the law. This receipt is for your records.

I would also welcome your feedback and input. I can be reached on my cell phone at 609 468 6284 and look forward to speaking with you.

Thank you for your generous support.

Sincerely,

John Lindsay
