

District Grant Report

Rotary Club: AVALON

Project Title: Plastic Waste Reduction

Progress Report Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
 Purchased and installed three filtered water bottle filling stations in targeted high traffic areas. Residents & visitors now have access to free good tasting water. Everyone benefits from subsequent plastic waste reduction.
- How many Rotarians participated in the project?
 8
- What did they do? Please give at least two examples.
 Researched the need of the project, submitted the proposal to the District. Mapped optimal locations for units. Arranged shipping & storage.
- How many non-Rotarians benefited from this project?
 All people living in or visiting Avalon have the potential of benefiting from the filtered water. Our plastic waste is sent off the island, so there will be a positive environmental impact with the reduction of waste.
- What are the expected long-term community impacts of the project?
 Access to free good tasting water will allow those on limited incomes to spend more money on food. The large Rotary emblems will create a positive association with Rotary. Increased perception on the importance of environmental stewardship.
- If a cooperating organization was involved, what was its role?
 City of Avalon installed units & connected them to municipal water source.

Financial Report - Be sure that Income equals Expenditures!
