Dear Mrs. Cassidy,

Please provide this letter on behalf of the City of Avalon as representation of costs incurred by the City towards the installation of the improvements to the fountains in our City. The costs incurred relate to labor charges from our Public Works Department and were in excess of \$2,000. We are very pleased with the contributions and they are a fine addition to the City.

Should you have any questions or wish to discuss this matter, please don't hesitate to contact me at the address or number listed below.

Sincerely,

Chris Woidzik
