Quantities and descriptions are not guaranteed to agree with plans and specifications. Please compare them with actual requirements to avoid errors, Sales or Use Tax of any kind is not included in any price shown above.

Models quoted using crossover guide are similar in function. Bobrick does not guarantee descriptions to agree with plans and specifications. Please compare with actual requirements to avoid error. Partition volume discount pricing is based on each qualifying color on a single shipment.

The Quote is subject to your acceptance within (30) days. Prices are based on current costs of labor and material, and are firm for orders authorizing immediate shipment. If future shipment is requested, prices will be subject to escalation to cover costs at the time of requested shipment.

At the time of shipment of this order, if your firm warrants open credit by Bobrick, the Terms of Sale would be Net 30 Days from Date of Invoice.

Freight costs are estimates only. Actual Freight is subject to change.
