Dear Sir/Madam,

RE: GRANT FUNDS FOR MACHAKOS AND TAITA TAVETA

We write in reference to the funds for projects in Machakos County and Shelter for women in artisan mining in Taita Taveta County, Kenya.

Paul Mue Foundation acknowledges that on **02/02/2023** we received **\$4000** dollars which were deposited in Shillings. We also confirm on **6/04/2023**. We received **\$13,000** dollars. All together a total of **\$17,000** (Seventeen thousand US DOLLARS).

Funds have been utilized in all the components of the community grant projects as per the project budget guideline. We have provided all receipts and photos since February 2023.

We are very thankful for this grant and the funds provided because of the positive impact they have brought about in the two communities. We finished all the training, financial literacy, purchased tools, increased water supply, improved farming methods through training which we hope to increase crop and the income generated to provide food security. Among other benefits, the shelter will protect lives from wildlife attacks and reduce violence among the vulnerable Taita mining society.

Thank you, Rotary Club of El Cajon Sunset and the local Rotarians for positive impact on our communities

Yours sincerely
