**NOTICE TO FREIGHT COMPANY:** All freight must be billed to consignee. Government Liquidation will not be held responsible for any freight charges.

**Conditions of Sale:** Each described article is sold "AS IS", "WHERE IS", and "IN PLACE", without recourse. The purchaser acknowledges that each article purchased was examined and inspected prior to purchase or that the buyer has waived their opportunity to inspect the property, that there has been no covenant of warranty, expressed or implied, arising by law or otherwise with regard to liability, merchantability or operational condition of any article purchased. Safety devices: Articles purchased may not incorporate approved activating mechanisms or operation safety devices.

It is Buyer's responsibility that articles purchased be so equipped and safeguarded to meet OSHA and any other requirements before placing such articles into operation. Indemnification: Buyer agrees to indemnify and hold Government Liquidation harmless from and against all claims and liabilities relating to the condition or use of the articles purchased or failure of user to follow instructions, warnings or recommendations of the manufacturer, or to comply with federal, state and local laws applicable to such articles, including OSHA requirements, or for proximate or consequential damages, costs or legal expenses arising therefrom, from and after date of sale. Removal thereof shall be made only after both payment in full of the total purchase price and thereafter solely at the Buyer's expense. When necessary for removal as determined by Government Liquidation, the Buyer shall deliver certificates of insurance occasioned by removal of the subject equipment by the Buyer or Buyer's agents. Property that is not removed within the specified removal period for the sale will be considered abandoned and will be relotted into a subsequent sale.

When operated in California, any off-road diesel vehicle may be subject to the California Air Resources Board In-Use Off-Road Diesel Vehicle Regulation. It therefore could be subject to retrofit or accelerated turnover requirements to reduce emissions of air pollutants. For more information, please visit the California Air Resources Board website at <http://www.arb.ca.gov/msprog/ordiesel/ordiesel.htm>
