Rotary District 5495
Grant #P-4724
Verde Valley Imagination Library
Collaboration with Rotary Club of the Verde Valley,
Rotary Club of Sedona and
Rotary Club of Sedona Village

To whom it may concern:

In collaboration with three local rotary clubs, Verde Village, Sedona and Sedona Village, we have received \$3750 total from the three clubs, and \$7500 from the District 5495 for the District Grant for FY 2023-24. Total received was \$11,250.

We have submitted invoices for the books that were purchased over the FY 2023-24, which includes August, Sept and October 2023. The total of these three invoices totals more than the \$11,250 amount we received by the District and Clubs.

In addition to the books, we also fund community awareness activities, public relations, and fundraising opportunities in our community. This community includes ten zip codes in the Verde Valley, including Cottonwood, Camp Verde, Sedona, Rimrock, Clarkdale, Cornville, Lake Montezuma, Jerome and all other surrounding areas.

We are very proud to report that based on the 2020 Census, we believe we are reaching about 80% of the children Birth-Age 5. Although this is a high percentage based on nationwide goals, our goal is to reach 100% of the population and continue to bring awareness to this wonderful program.

On behalf of the Rotary Clubs listed above, and the Verde Valley Imagination Library, we would like to say THANK YOU!!!

Sincerely,

Lynette Prouty
Board Chair
