Allie Raugust, 2023-2024 President, Rotary Club of Prescott, raugust.alexz@gmail.com
RE: Rotary Club Support for the Imagination Library of the Prescott Area

Allie & Earl: On behalf of the Board of Directors of the Imagination Library of the Prescott Area, please accept our sincere appreciation for your respective club's continuing support of our organization. In addition to playing a key role in establishing the Imagination Library program several years ago, your clubs have consistently made ILPA a designated program for support - initially in the City of Prescott and more recently in the 22 Zip codes of western Yavapai County.

In addition to financial support – outlined below, it is our understanding that among other beneficiaries your club members' fundraising efforts are targeted at supporting ILPA. We also appreciate the service provided by your individual club members who have volunteered to serve on the ILPA Board of Directors and assist with our endeavors. ILPA reciprocates this support by presenting Rotary as a major contributor in our community outreach efforts - on our website, in our quarterly newsletter and during the many presentations that we make to community groups.

And we would be remiss if we did not also show appreciation for the several Rotary club members that supported our "Spring Into Reading" fundraiser this past February and who attended its culminating event on March 7th.

Your club's financial support this past year has benefited ILPA by way of grants offered through The Rotary Foundation (TRF) – Rotary District #5495, and through additional independent funding. During the past year we have received the following:

- \$3,000, Check #1240 dated 7/16/23, from RC of Prescott, earmarked as matching funds for TRF grant plus additional funds from a club fundraiser.
- \$2,500, check #2383 dated 11/27/23, from RC Prescott-Frontier Charitable Fund, designated as matching funds for TRF grant plus additional funds from club fundraisers.
- \$5,000, check #2384 dated 11/27/23, from RC Prescott-Frontier Charitable Fund, designated as Rotary Grant funds awarded to ILPA via Rotary District 5495 district grant #4730.
- \$10,000, check #2397 dated 3/29/24, from RC Prescott-Frontier Charitable Fund, designated as an additional donation to ILPA

Again, with great appreciation and anticipating your continued support going forward,

Noel J DeSousa
2023-2024 ILPA Board President

Wendy Watson
2023-2024 ILPA Board Vice-President
