### **Project Description**

---

1. Briefly describe the project outcomes. What was done (in 100 words or less)? We provided students at two elementary schools in Phoenix with enough books, by grade level, so each student could take home their own book. We also gave Rotary bookmarks.

When (dates) and where (city, state and country) did project activities take place?  
12/08/2023 – Phoenix, AZ, USA

Who were the beneficiaries? Students at Emerson School and Madison Camelview

2. How many Rotarians participated in the project? 5
3. What did they do? Please give at least two examples. We purchased the books, delivered them to schools, and arranged for students to come to the library by grade level and pick out a book to take home. Extra books were donated to the school library.
4. How many non-Rotarians benefited from this project? 750
5. What are the expected long-term community impacts of the project? The library gets to keep a selection of new books that can be given to students each year. Students who took home a book will be able to read with their family at home.
6. If a cooperating organization was involved, what was its role? We used Assistance League of Greater Phoenix to assist with purchasing new books at a discounted rate.
