When (dates) and where (city, state and country) did project activities take place?
The project took place on November 18, 2023 in Phoenix, AZ, USA

Who were the beneficiaries? Families identified by local schools as needy but not meeting state requirements were the target beneficiaries.

2. How many Rotarians participated in the project? 5

3. What did they do? Please give at least two examples. Rotarians from the club helped pack and store food boxes for later distribution.

4. How many non-Rotarians benefited from this project? 320 families got a Thanksgiving turkey.

5. What are the expected long-term community impacts of the project? Long term benefits are hard to quantify. Kids got a little happiness, parents got a little hope, and the community is a little stronger.
