Rotary Foundation District Grant Final Report

Deadline for submission: March 31, 2011

Must be filed electronically on: <http://www.matchinggrants.org/district/>

Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #) P-48
2. Name of District Grant “Ultrasound in Haiti”
3. Briefly describe the grant and list any changes that might have occurred (100 words or less).

As specified previously, this grant supported the purchase of a hand-held ultrasound. The ultrasound tool was purchased and used in Haiti (at Hospital Sacre Coeur, Milot, Haiti) in November, 2011. The local surgeon was trained in the use of the hand held ultrasound and the machine was left at the hospital. It was also used by the local internists there and was found to be extremely useful.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

We learned that it is important to “get the word out” about imaging in 3rd world countries. I did not realize that having the ultrasound would be useful for services other than surgery. We were able to use it for medical patients as well as for surgical patients. It was also used in the emergency room.
