

Rotary District 5320 Foundation Committee

Rotary Club: \_\_\_ Rotary Club of Fullerton \_\_\_

Project Title: \_\_\_ "Whatever it takes" Afterschool Program \_\_\_

Progress Report  Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The project aimed to enhance and expand the after-school programs at the Boys & Girls Club of Fullerton from a time frame of August 2023 to March 2024. The main focuses were on the culinary and STEM (Science, Technology, Engineering, and Mathematics) programs across all 5 sites. Activities included adding some basic curriculum, equipment acquisition, and program outreach. The project took place at 5 different sites (Main, Maple, Valencia Park Site, Commonwealth School Site & the Lozano Teen Center) in Fullerton. The younger kids worked with more basic STEM & simple culinary projects. While our teens were exposed to a real-world kitchen culinary experience and STEM in a BOX which allowed the kids to build a robot or a drone as well as coding the machine to move autonomously with the laptops acquired through this grant as well. The beneficiaries included students, ranging in age from 8-18 years old and our Rotary members interested in culinary arts and STEM education.

2. How many Rotarians participated in the project?

We had 16 different Rotarians volunteer over the last 8 months with a few of them making repeat volunteer visits over the last six months.

3. What did they do?

The Rotarians worked directly with our members:

- In the kitchen teaching the youth basic culinary skills while working in groups to prepare the chosen recipe for that class. Once finished the kids would try and compare how each group's recipes turn out.
- They also worked hands on with our members to help build and code autonomous robots and drones on a weekly basis.

4. How many non-Rotarians benefited from this project?

This answer is twofold. We had over 150 kids benefiting from this project over the last seven months of programming across the 5 different sites. The second part of the answer is the countless number of children that will have future benefit from the assets purchased with this grant. The STEM in the BOX kits and reusable and can be taken apart and rebuilt for many more years and kids to come. Our teen center kitchen now has all the proper cookware needed in a functional kitchen and will again be used for many more years and kids to come. By the end of 2024 this project will have reached over 250 of our members.

5. What are expected long-term community impacts of the project?

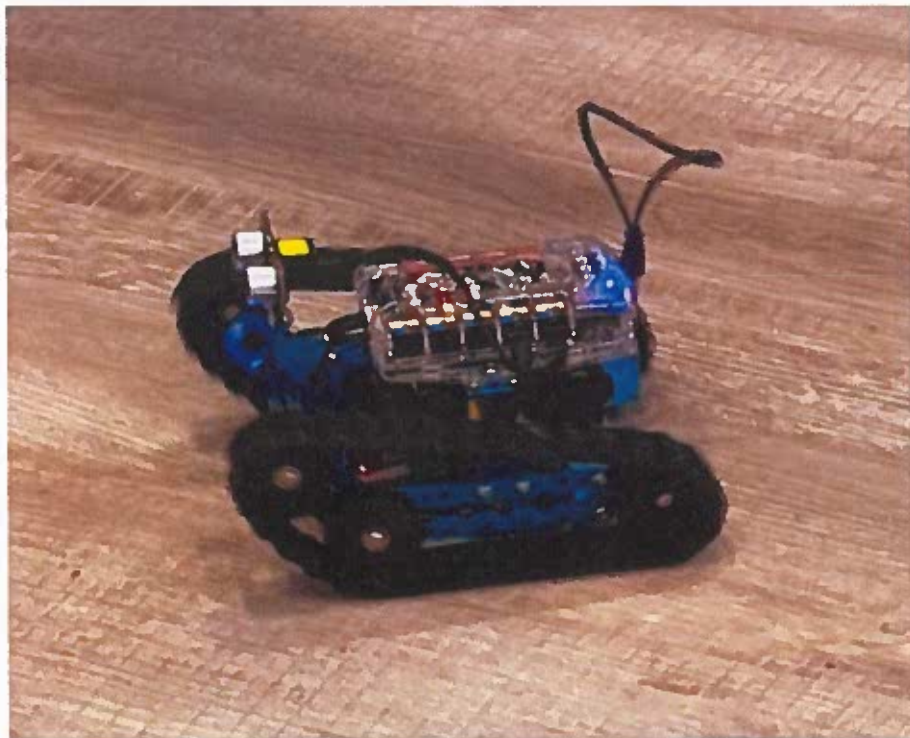

The long-term community impact from this project is the increased access to quality programs and quality program equipment that the members will have at their Clubs. This grant has raised up our culinary kitchens to increase the kids hands-on skills in the kitchen.

## Rotary District 5320 Foundation Committee

Increased awareness around healthy lifestyles and what it means to live and eat in a healthy manner. Our healthy habits program helps young people develop skills, confidence, and motivation to make nutritious choices that support an overall healthy lifestyle. Also culinary programs can train individuals for careers in the hospitality industry, including chefs, restaurant managers, and food service workers.

This project also increased the quality of our STEM lab projects with the investment in the STEM in a Box program equipment and laptops. These are reusable equipment packages that will be used for years and many more young people to come. Investing in STEM programs can address skill gaps, ensuring that community members are equipped for jobs in emerging industries. Culinary and STEM initiatives can contribute to sustainable development goals, fostering a resilient and forward-thinking community.

6. If a cooperating organization was involved, what was its role? N/A
7. Income
  - i) District Grant Funds approved by the district
  - ii) Club Contribution
  - iii) Other Funding (specify)
8. Expenditures

**FALL 2023 PROGRAM REPORT**

**VALENCIA PARK BRANCH**

**LTC BRANCH**

<i>Program</i>	<i>Attendance</i>		<i>Program</i>	<i>Attendance</i>
HIGH HOPES COUNSELING	5		FEARLESS	8
STEM UP 4 YOUTH	21		BOXING	16
S.H YOUTH MEDICAL HEARTS	27		KEYSTONE	11
			PODCAST	12
			GIVE	14
			COOKING CLASS	24
			STEM IN A BOX	17

**Average attendance for programs**

**HIGH HOPES COUNSELING:** Counseling group that comes in and speaks with the kids about certain topics to keep them focused on their day-to-day and how to recharge their “battery” when they feel down, tired, or to regain their focus.

**STEM UP FOR YOUTH:** Group of volunteers teach our members fun and engaging STEM projects. Certain projects the members have done are Balloon static electricity, Newspaper Skyscraper, and Tea light snowman.

**SUNNY HILLS YOUTH MEDICAL HEARTS:** Student-run club at Sunny Hills High School and their goal is to interact with elementary students by doing fun hands-on activities related to the medical field. A few examples may be: coloring a heart and learning about what it does, playing an Internet game with them about the body parts, and more

**FEARLESS:** Our members learn how to grow food, maintain our Club Garden and make DIY eco-friendly projects that they can do at home with their families. This program has made our members more aware of their environment and how they can help keep it eco-friendly.

**KEYSTONE:** Members take on a leadership role at the Club by electing officers and planning service projects. Keystone have volunteered with special events at our sites and planned/developed a Halloween event for our elementary members to attend, participate in fun activities, and be a part of their Halloween maze. Keystone members help fundraise money for their program by running Snack Shack that will lead/host future events.

**BOXING:** Members get an opportunity to be coached and trained by Tony, who volunteers to help introduce the sport boxing to the community. Members go through conditioning work-outs, practice fundamentals, and gain knowledge of the sport. Our boxing program is a non-contact training for our members and in hopes to expand to be able to train and compete in the future.

**G.I.V.E:** GIVE-INSPIRE-VOLUNTEER-EDUCATE offers quality music, STEM, and English tutoring services for young children through a virtual platform and multiple in-person venues. Through enriching activities, we work to enhance the youth's academic and musical foundations by providing the resources and tutor-based guidance that help towards success.

BOYS & GIRLS CLUBS  
OF FULLERTON

FALL 2023 PROGRAM REPORT

COMMONWEALTH SCHOOL BRANCH

MAIN BRANCH

<i>Program</i>	<i>Attendance</i>		<i>Program</i>	<i>Attendance</i>
TORCH CLUB	8		FIRST TEE GOLF	15
COSTCO READING (KINDERS)	6		TRIPLE-THREAT BASKETBALL	12
S.M.A.R.T GIRLS	10		GO2SCIENCE	25
STEM UP 4 YOUTH	20		GIVE (All AGES)	30
			READING4KIDZ/SCIENCE4KIDZ	10
			CHESS (All AGES)	10
			PARENTIS READING CLUB	12

Average attendance for programs

**Torch Club:** Staff created Jr. Staff jobs, each member applied for an area (gamesroom, athletics, steam, etc.) to help assist staff and fellow peers. Members went through an interview process for program area they chose to help out with. Torch club has helped fundraise by putting together a “cold sell” where members and staff sold hot cocoa and pan dulce to our families and members.

**S.M.A.R.T Girls:** A health, fitness, prevention/education and self-esteem enhancement program helping girls develop healthy attitudes. Members created their own tote bags to keep their journals and other materials/projects they make. Members painted on canvas to that was geared toward self-expression. Members have also spoke about making healthy eating choices and exercise.

**COSTCO READING:** Costco volunteers help our Kinder program by reading them books and doing fun activities for them. Costco has been kind enough to also donate reading books to our sites for our members.

**STEM UP FOR YOUTH:** Group of volunteers teach our members fun and engaging STEM projects. Certain projects the members have done are Balloon static electricity, Newspaper Skyscraper, and Tea light snowman.

**FIRST TEE GOLF:** Members will learn the fundamentals of golf. Members will practice the correct form and learn how to putt, chip, and drive once a week. Members also learn how to safely hit the ball (ABC's) A: Check all surroundings, B: Broadcast (letting everyone know they are going to swing), and C: Caddie check (partner will let them know that it's clear to swing). Members are taught core values in each session (Honesty, Sportsmanship, Respect, Responsibility, and perseverance).

**TRIPLE-THREAT BASKETBALL:** Members will learn the fundamentals of basketball by going through drills (dribbling, shooting, passing). After, members will play a friendly competition to show what they have learned and practiced.

**Go2Science:** Scientist test the hypothesis in the field & document the adventure in 12 field videos. Each field video has a lesson that integrates science, literacy, and math learning plus a Family Fun activity! Members watch each field video and select the lessons and activities they want to do.

**G.I.V.E:** GIVE-INSPIRE-VOLUNTEER-EDUCATE offers quality music, STEM, and English tutoring services for young children through a virtual platform and multiple in-person venues. Through enriching activities, we work to enhance the youth's academic and musical foundations by providing the resources and tutor-based guidance that help towards success. We have been able to expand the program to this school year to our Teen Center.

**Reading for Kids/Science for Kids:** Volunteers come once a month and read books to our members and do fun activities that reflect on what they read for that session. Members have painted glow in the dark pumpkins and eat healthy snacks.

**CHESS:** Members learn how to play the game Chess. We have a volunteer who helps teach the members the proper names of the pieces, members learn how each piece moves, and learn different strategies to defeat opponents.

**Parentis Reading Club:** Each member is assigned to a highly trained older-adult/mentor who will participate in one-to-one reading lessons. Goal is for members to receive support from their mentor to help them achieve grade lever proficiency.

## MAPLE BRANCH

<i>Program</i>	<i>Attendance</i>
S.M.A.R.T GIRLS	15
PASSPORT TO MANHOOD	12
STEM UP 4 YOUTH	18

**S.M.A.R.T Girls:** A health, fitness, prevention/education and self-esteem enhancement program helping girls develop healthy attitudes. Members worked on self-reflection by painting on canvases of themselves, spoke about positive role models, discussed about social media and the impact it could have on them, and having fun discussing about fashion and women's clothing.

**PASSPORT TO MANHOOD (MATURING MUSTANGS):** represents a targeted effort to engage young boys in discussions and activities that reinforce character, leadership and positive behavior. Members discussed about good hygiene, discussed the importance of friendships and made friendship bracelets, discussed about peer pressure, and self-love.

**STEM UP FOR YOUTH:** Group of volunteers teach our members fun and engaging STEM projects. Certain projects the members have done are Balloon static electricity, Newspaper Skyscraper, and Tea light snowman.

## 2024 SPRING PROGRAMS

### Main Branch: 8 programs

1. **MASTER CHEF:** designed to educate and empower children and families to make healthy food choices through hands-on learning with fresh, affordable foods from diverse cultural traditions. Some items the members will make are pizza bagels, smoothies, and yogurt parfait.
2. **TORCH CLUB:** Members will be provided opportunities to make a positive impact on their youth. Members will develop leadership skills by having meetings to discuss roles/duties, community service projects, and fundraising for their club.
3. **WHO DID IT?:** Members will be given scenarios and have discussions about each scenario to figure out "Who did it?". This program will teach members how to use critical thinking skills, team building, and speeches to present to the group.
4. **SMART GIRLS:** Small-group health, fitness, prevention/education and self-esteem enhancement program designed to meet the developmental needs of girls.
5. **READING FOR KIDS:** Group of Teen volunteers come and read children books to our members and after the story the group will do a fun activity for the members that relates to the book.
6. **PARENTIS READING FOUNDATION:** Volunteers will work with 1<sup>st</sup>-3<sup>rd</sup> grade and provide reading support for members who are below reading grade level. Each member will be assigned to highly trained adult and participate in one-on-one reading sessions.
7. **BASKETBALL:** A training environment for members to learn about the sport basketball. The program involves activities designed to improve overall skills and general knowledge in the sport.
8. **GIVE:** Music, Math, and STEM program where members will spend 45 minutes on how to play certain instruments (Violin, keyboard, and guitar). After, members will do projects with the volunteers to help with solving math problems (Solving a rubixs cube) or do fun STEM projects (Slime or Lava lamps).

### Teen Center: 8 Programs

1. **KEYSTONE:** Members will work together to achieve a certain charter level, create meaningful leadership opportunities for Keystoners and develop a plan for the future. Keystone has helped with special events for the organization (Annual Auction, School site special events, and holiday toy giveaway)

2. **PODCAST:** Members record themselves discussing about certain topics (school, life, family & friends) in a safe space. Members learn how to use equipment and edit/upload their session.
3. **ART:** Provides visual, tactile and sensory experiences and a special way of understanding and responding to the world. It enables members to communicate what they see, feel and think through the use of color, texture, form, pattern and different materials and processes.
4. **DIPLOMAS 2 DEGREES:** College readiness program guides Club members as they work toward high school graduation and prepare for post-secondary education and career success
5. **BOXING:** Learn the fundamentals of boxing, go through vigorous workouts, exercises and trainings to increase knowledge of participants. All non-contact.
6. **GIVE:** Music, Math, and STEM program where members will spend 45 minutes on how to play certain instruments (Violin, keyboard, and guitar). After, members will do projects with the volunteers to help with solving math problems (Solving a rubix's cube) or do fun STEM projects (Slime or Lava lamps).
7. **BASKETBALL:** A training environment for members to learn about the sport basketball. The program involves activities designed to improve overall skills and general knowledge in the sport.
8. **STEM IN A BOX:** Designed for enrichment and extracurricular activities. Box with many different items to build, create, construct and coding. (Teens will be making robots this spring semester 2024).

#### CSB: 7 programs

1. **CULINARY:** Designed to educate and empower children and families to make healthy food choices through hands-on learning with fresh, affordable foods from diverse cultural traditions.
2. **STEM UP 4 YOUTH:** Teen volunteers come to our sites, once a month, and do fun STEM projects with the members.
3. **TORCH CLUB:** Members will be provided opportunities to make a positive impact on their youth. Members will develop leadership skills by having meetings to discuss roles/duties, community service projects, and fundraising for their club.
4. **COSTCO KINDER READING:** Group of Volunteers from Costco will read children books to the kindergarten class and do fun small activities with them.
5. **LITERACY:** Provide literacy service (tutoring and classes). literacy learning is embedded in every subject area across the day to deepen students' ability to think, express, reflect and act.

6. **BASKETBALL:** A training environment for members to learn about the sport basketball. The program involves activities designed to improve overall skills and general knowledge in the sport.
7. **STEM UP 4 YOUTH:** Group of teen volunteers prepare STEM projects and help assist the members with the activity for the day. Projects they will be doing are paper marshmallow shooters, string pull painting, and seed bombs.

**VP:**

- **HIGH HOPES COUNSELING:** Volunteers will work with a group of members to help counsel and have discussions about ways to “recharge their battery” when feeling low on energy.
- **SUNNY HILLS YOUTH MEDICAL HEARTS:** Group of Teen volunteers interact with our members and do fun activities related to the medical field ( color a heart and learning about what it does, internet games)
- **STEM UP 4 YOUTH:** Group of teen volunteers prepare STEM projects and help assist the members with the activity for the day. Projects they will be doing are paper marshmallow shooters, string pull painting, and seed bombs.
- **CULINARY:** Designed to educate and empower children and families to make healthy food choices through hands-on learning with fresh, affordable foods from diverse cultural traditions.
- **BASKETBALL:** A training environment for members to learn about the sport basketball. The program involves activities designed to improve overall skills and general knowledge in the sport.
- 

**MAPLE:**

- **BASKETBALL:** A training environment for members to learn about the sport basketball. The program involves activities designed to improve overall skills and general knowledge in the sport.
- **DRAMA MATTERS:** Practice fun theater games, acting, and public speaking.
- **LIL CHEFS:** Designed to educate and empower children and families to make healthy food choices through hands-on learning with fresh, affordable foods from diverse cultural traditions.
- **TORCH CLUB:** Members will be provided opportunities to make a positive impact on their youth. Members will develop leadership skills by having meetings to discuss roles/duties, community service projects, and fundraising for their club.
