

Integration of Common Core Standards

The integration of art into the classroom is an approach to teaching, that connects the Arts with other academic subjects, such as math, science, language arts, and social studies.

This approach is grounded in the belief that the Arts can be a powerful tool for enhancing learning outcomes and engaging student in academic curriculum.

Liberty School is a wonderful support for our classrooms in that it teaches the children different art forms and different ways of looking at objects in our world."

-Lynette Gavin, Teacher | Dewey Elementary

About NTC Foundation | The NTC Foundation was established in 2000 as a 501 (c)3 nonprofit to enrich the lives of San Diegans by renovating 26 historic buildings at the former Naval Training Center to create, facilitate and operate a broad-based complex focused on experiencing the arts, culture, and creativity that are the hallmark of the San Diego region.
