

District Grant Report

Rotary Club: Rotary Club of Romeoville
 Project Title: Romeoville 3rd Grade Class Library Book & Literacy Program 2023-24

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
The club purchased up to five books for each third grade in-class library and each class received a copy of "A Bad Case of Stripes" by David Shannon. In total 120 books were provided to the district. Each student also received a Rotary based bookmark.

2. How many Rotarians participated in the project? 10

3. What did they do? Please give at least two examples.

Krista Simpson, who works for the school district, spearheaded the project for the club by collaborating with the teachers regarding their book selections, ordering the books, distributing the book, acting as a liaison between the club and school district and club and Interact Club. Some of the club was involved with which book to select. One of the club's Rotarians did the research to find the book selected by the club. A few Rotarians delivered the books and Rotary book marks to the schools.

4. How many non-Rotarians benefited from this project? 475 Initially

5. What are the expected long-term community impacts of the project?

The books will be available to about 475 third graders a year for years to come. The teacher specifically chose the books to best suit the educational needs of their students.

6. If a cooperating organization was involved, what was its role?

Valley View 365U School District and Romeoville High School Interact Club assisted with the project. The school district allowed the club to partnership with the project, one of the club's Rotarians works for RHS and allowed her to gather information for the books for each class and purchase the books for the club. The school district collaborated with the club to design, produce and distribute at no cost to the club, Rotary bookmarks that were provided to each third-grade student. The Interact Students placed club based Rotary Stickers, also produced by the school, in each of the books.
