Dear Ray and Club Members,

What a difference your **\$11,474.00 contribution** makes! 100% of your gift is supporting equipment and medical supplies for our new Denton School-Based Clinic which opened on January 17th.

Our vision that all North Texas children have access to quality, safe, equitable, compassionate, family-oriented healthcare is essential to thousands of area children whose healthcare alternative is often the emergency room. We are dedicated to providing uninsured and underinsured children with the chance to remain healthy, and your contribution helps make this a reality. This year, PediPlace expects to provide healthcare to 6,022 children, which represents a 5% increase compared to 2023.

We would love to give you a personal tour of our Clinic and show you how your gift matters. Please contact us to schedule a visit soon.

Thank you again for your caring generosity.

Sincerely,

Larry S. Robins
