THE MAN IN THE AREA – It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcomings; but how does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat.

Morning, Bill!

Just forwarding the newsletter that is circulated through the school community that includes the wonderful tradition (senior parking spots) Sunrise Rotary has made possible!

We are collaborating with journalism students and the local papers to get the information in there and out to the general public soon.

Student Spirit Squad. Has made locker decorations for every fall sport, band, cheerleaders and all the Student managers. We are planning a fundraiser for the Homecoming Game in October.

There is a great energy in the building and we will continue to build on that!

Grateful, Kristen Hill

August 29th, 2023

## Senior Traditions

Getting traditions going at EPHS! This is the second year the seniors have painted special parking spots at the high school. They turned out spectacular! A big thanks to Sunrise Rotary for sponsoring and Kristen Hill and the Senior Spirit Squad for all of their support.
