

Together! ACT Now

PREVENT HIV THROUGH THEATRE

Dear Anchorage East Rotary,

On behalf of Together! ACT Now I would like to thank the Anchorage East Rotary for working with West Anchorage High school in raising \$2,917.32 for the Together! ACT Now volunteer education fund.

You will find attached a list of our volunteers who have applied. Those we accepted are under green. Those that we have accepted, but their documents aren't all in place, are in yellow. And the applicants under red have been denied or are awaiting further documentation. We have also included a selection of applications for you to peruse. The \$10.67 left will remain in the education fund for the next round of applications.

In April, 2015 we met with Peter Barrett, the president of the Rotary club of Limbe, Malawi and he is very happy with the support provided from Anchorage East Rotary and is willing to be the international rotary contact. With that in mind, next year one of the Together! ACT Now board members will bring a selection of students to a Rotary Club of Limbe meeting so they can present how the education support has positively affected their ability to pursue their goals.

Everyone at Together! ACT Now looks forward to working with the Anchorage East Rotary again and we thank you all for your dedication and support.

Sincerely,

Kyle Horne
Founder / Executive-Director
