GIVEAWAY

Westside Elementary School student Cyrus Graham (left) was awarded a bike by members of Powell's Rotary Club on Feb. 23. The Rotary Club gathered roughly \$2,000 to donate 10 bikes and 10 helmets to Powell elementary schools. As part of a winter reading program, students at Southside and Westside elementary schools who read the equivalent of 30 minutes per day over Christmas break were entered into a raffle to win a bike. Two bikes were given at each school. Parkside and Clark elementary schools will award three bikes total to students in May and three more bikes will be awarded to Powell elementary school students this summer. From left, Graham and Rotary Club members Kim McDowell, Judy Londo, John McDowell (obscured), Sam Rowley and Terry Collins (not pictured).
