RE: Donation

Thank you so much for the gift of the mobile computer cart, twenty-two i-pads, i-pad covers and one MacBook Pro for our campus. The dollar amount of these items is a total of \$7,620.20. What a wonderful gift for our students.

This will enable our students to stay in their classrooms and have a computer lab delivered to them. What an awesome experience for our students.

We really appreciate the support that we have from your organization for our students and staff.
