Hi there!

Attached are scans of 4 of the 6 certificates our children/ staff received upon completing the Solar Panel Construction Training hosted by Green Energy for Developing Countries, Inc.

These certificates are for:

Mackenlove St.Fleur;
Echenel Jean;
Oberny Paul;
Michael Desulme (Maxime)

Eluckson Tassy and Fedner Mathurin also received certificates, but have them at their homes (Eluckson Tassy resides in Port au Prince and Fedner Mathurin is our staff member). Please let me know if you would like me to scan their certificates as well.

Thank you so much!
